Financial Analysis for Real Estate Workout or Foreclosure Alternative

I/we obtained a mortgage loan secured by the above-described property. I /we have described my/our present financial condition and reason for default on this financial analysis form and have attached required documentation. Under my/our present circumstances, I /we cannot bring my/our mortgage loan current. Therefore, I/we hereby request assistance under Richfield/Bloomington Credit Union's (RBCU) loss mitigation program.

I/we agree that the financial information provided is an accurate statement of my financial status. I understand and acknowledge that any action taken by RBCU on my behalf will be made in strict reliance on the financial information provided. My signature grants RBCU the authority to confirm the information I/we have disclosed in this financial statement, to verify the accuracy by ordering a credit report and to contact my real-estate agent and/or credit counseling service representative if applicable. Discussion and negotiations of a possible foreclosure alternative will not constitute a waiver of or defense to RBCU's right to commence or continue any foreclosure or other collection action and an alternative to foreclosure will be provided only if an agreement has been approved in writing by my lender. I may be required to provide additional information.

A property appraisal and a brokers price opinion (BPO) may be required as part of the review process. The cost of these could be added to your mortgage. If an appraisal and/or BPO is required, the cost of these may be collected prior to review. Access will be required to the property by the appraiser and/or broker.

In the event I/we am/are able to bring the loan current or are able to sell the property for an amount sufficient to pay off my/our mortgage loan in full during the evaluation process, I/we understand that my/our request for participation in RBCU's loss mitigation program will be withdrawn without further action.
